INNOVATIVE SERVICE TOOLS

EXCLUSIVE PRODUCTS

WORKING TOWARDS A SUSTAINABLE FOREST FUTURE

ACC Higgins' timbers are sourced from suppliers who identify environmental sustainability as a principle factor in any current or future operations in the forest products industry. Timbers are sourced principally from forests with international certification.

A large teal decorative shape on the left side of the page, consisting of a triangle at the top left that curves into a rounded rectangle extending towards the center.

Composite Board **COFFINS & CASKETS**

Our Composite Board coffins and caskets are constructed with DAP, MDF and Paper Veneered or particleboard, and have either a paper veneer, lacquered or stained finish.
