3. 45mm Staples
4. 8 Screws per Coffin Base
5. 6 Strategically Placed Timber Blocks
6. Bolting Handles

INNOVATIVE SERVICE TOOLS

EXCLUSIVE PRODUCTS

WORKING TOWARDS A SUSTAINABLE FOREST FUTURE

ACC Higgins' timbers are sourced from suppliers who identify environmental sustainability as a principle factor in any current or future operations in the forest products industry. Timbers are sourced principally from forests with international certification.

A large teal graphic element on the left side of the page, consisting of a diagonal line from the top-left corner to the middle of the page, followed by a rounded rectangular shape extending to the right.

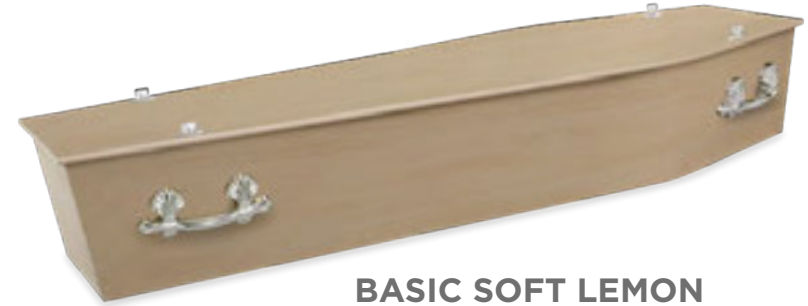

Composite Board **COFFINS & CASKETS**

Our Composite Board coffins and caskets are constructed with DAP, MDF and Paper Veneered or particleboard, and have either a paper veneer, lacquered or stained finish.

Timber Veneered **COFFINS**

Our Timber Veneered coffins are constructed with timber veneer bonded to Medium Density Fibreboard (MDF). This produces the visual appeal of solid timber at a lower competitive price. Our Timber Veneered range of coffins is available in African Sapele and American Walnut.

BRIGHTON
